Scan to a flash drive	<ul style="list-style-type: none"> <li>• Unfortunately, only flash drives purchased from the BC Archives are guaranteed to work at our kiosks. If you use your own flash drive, make sure it is properly formatted before coming to the archives. It will save you time.</li> <li>• Scan records from microfilm or microfiche</li> </ul>	Free of charge
Print copies are only available during staff hours	<ul style="list-style-type: none"> <li>• From microfilm, microfiche, or computer kiosks</li> </ul>	\$0.50 per page + tax
<b>Ordering Copies</b>		
<p>We handle requests in the order received. Unfortunately, rush service is not available.</p> <p>All remote reproduction orders requiring delivery will have delivery charges.</p> <p>All fees are subject to change without notice. For security reasons, please do not send credit card information by email (including in any attachments).</p> <p>It may take 20-30 business days to process your order, dependent on current request volumes.</p>		
<b>Textual Reproductions</b>		
<p>Staff can make copies of textual records that are 11 x 17 inches or smaller, (though some records are too fragile to copy). To place an onsite copy order, make sure you flag all pages for copying with the pink slips provided at the Reference Desk and count the total number of pages you need copied.</p>		
Order print or scanned copies of textual records	<ul style="list-style-type: none"> <li>• Pick-up or delivery options available</li> </ul>	Copying: \$0.50 per page + tax
